The organising committee members of 12th World Congress on Precision and Personalized Medicine have finally revealed the theme for this year's "Personalized Medicine Congress 2020" conference and it is going to be held on April 06-07, 2020 in Bangkok, Thailand. Conference Series and the organising committee of Personalized Medicine Congress 2020 acknowledges the efforts and contribution of scholars, researchers, academicians, and scientists in the field of Medicine, and has decided to introduce various achievement awards for all the participants. Personalized Medicine Congress 2020 conference will offer various awards to outstanding researchers, scientists, exceptional graduates or early academicians who have a notable contribution to the field and possess keen interest towards the conference theme. The awards strive in providing a strong professional development opportunity for all researchers at different levels of their careers. Below are some of the special awards that are being offered at Personalized Medicine Congress 2020.

Expert Level (Scientific Service Achievement Award)

The award is meant to the experts who have made exceptional contribution in the field of Precision and Personalized medicine Research. This award is the most prestigious award of the conference and that is why it is also known as Scientific Service Achievement Award. One who is having at least 20+ years of experience (public/private sector) in relevant subject field is eligible for achieving this award. The recipient of the award must have a keen interest in opening the new horizons and researching the latest developments in the relevant field. Deserving nominees can be awarded online as well.

Professional Level (The Research Contribution Award)

The distinguished "Research Contribution Award" at Professional Level will be awarded by the Organizing Committee of Personalized Medicine Congress 2020 to the participants of 12th World Congress on Precision and Personalized Medicine. The award will be presented for

outstanding scientific achievement or service to the discipline of **Precision Pathology, Predictive Biomarkers and Diagnostics, Precision Immunotherapy and Proteomics and Genomics in Personalized Medicine**. The eligibility criteria for achieving this award is that one should have research knowledge minimum of 10+ years of experience in the relative field of Medicine.

Scholar Level (The Upcoming Researcher Award)

12th World Congress on Precision and Personalized Medicine offers Scholar Level Award for the upcoming scientists, researchers and experts having 10+ years research experience in the field of medicine. Personalized Medicine conference would like to provide best platform to expand your network by sharing your research knowledge at stage. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel discussions. Deserving nominees can be awarded online as well.

Women Scientist (The Women of Science Award)

Personalized Medicine Congress 2020 provides a unique platform with "Women of Science Award" for women scientists for presenting latest research projects with an in-depth analysis. Personalized Medicine Congress 2020 invites Women scholars and scientists from Precision and Personalized medicine fields. The committee encourages women scientist's through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. The eligibility criteria for achieving this award is that one should have research knowledge minimum of 10+ years of experience in the relative field of Medicine.

Outstanding speaker and Best Keynote Speaker in Personalized Medicine Congress 2020

The award "outstanding speaker" is offered by the **Personalized Medicine Congress 2020** to the individual who delivers projects, strategies, and schemes that have

been implemented to improve long-term excellence in **Precision Pathology, Predictive Biomarkers and Diagnostics**, and **Precision Immunotherapy**. The eligibility criteria for achieving this award is that one should have minimum of 20+ years of experience in the relative field of Personalized Medicine.

The award “Best Keynote Speaker” is offered by the **Personalized Medicine Congress 2020** to the individual who delivers the projects, strategies, and schemes that have been implemented to improve long-term excellence in **Precision Pathology, Predictive Biomarkers and Diagnostics**, and **Precision Immunotherapy**. The eligibility criteria for achieving this award is that one should have minimum of 20+ years of experience in the relative field of Personalized Medicine.

Best Poster Presentation in Personalized Medicine Congress 2020

Personalized Medicine Congress 2020 comprises many poster presentations and the speakers designated as poster judges will nominate one poster presenter for the Best Poster Presentation Award.

The Conference aims to provide a platform for all the promising graduates, scientists and budding researchers to present their research work, views and different aspects of the theme. The eligibility criteria for achieving this award is that one should have minimum of 20+ years of experience in the relative field of Personalized Medicine. Deserving nominees can be awarded online as well.

Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation in Personalized Medicine Congress 2020

The award is designated for the Masters/Ph.D./ Post Doctorate students who can present their thesis and projects or have executed the same for the long term excellence in the field of Precision and Personalized Medicine. Deserving nominees can be awarded online as well.
